Registration fees (non-refundable) are payable annually. Class fees are payable in full before each term commences. The club is unable to refund fees if a gymnast decides to leave during the term unless it is after the initial class only. The club cannot subsidise for missed classes etc; coaches, hall and other costs must be paid for regardless

**Declaration:** Occasionally, Flares Gymnastics & Cheer may be visited by the media in relation to competitions and workshops or may utilise media for educational use and for the club website. Please tick this box if you **DO NOT** want your child to be included in media activity ☐. Please be aware that while every effort is made to ensure the safety of gymnasts, the sport carries an element of risk of injury which can occur. The sport is close contact between coach and gymnast while supporting moves, etc. Attendance at training is taken as an acceptance of this. In the event of injury or illness, medical treatment will be administered by a nominated first aider or by a suitably qualified medical practitioner. If emergency treatment is required and contact cannot be made with parent/guardian/emergency contact, a qualified medical practitioner will be called to provide emergency aid or medication. I have read and understood the above conditions and guidelines and consent to my child participating in gymnastics with Flares Gymnastics & Cheer.
